PRIME

Clean Grade

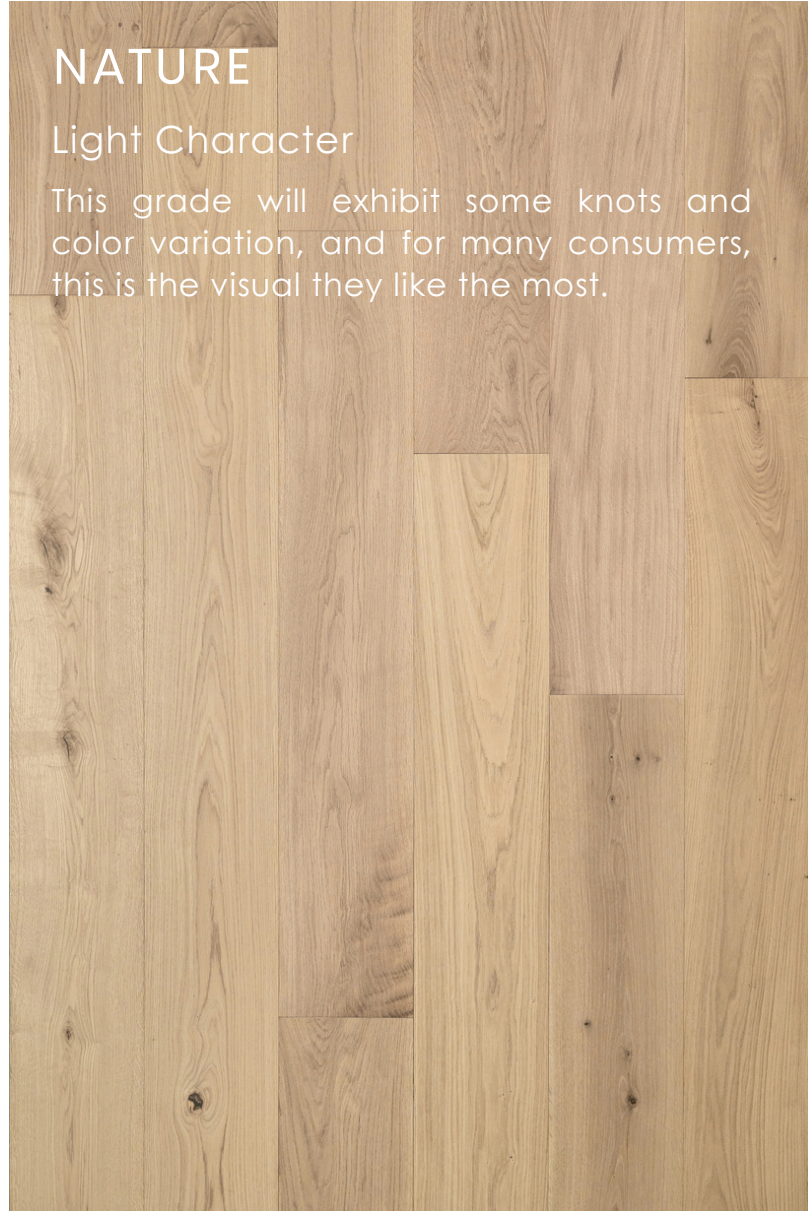

This is the “cleanest” visual available in terms of very few and small knots, and very little color variation.

NATURE

Light Character

This grade will exhibit some knots and color variation, and for many consumers, this is the visual they like the most.

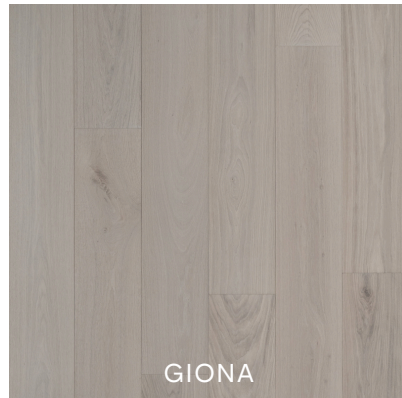

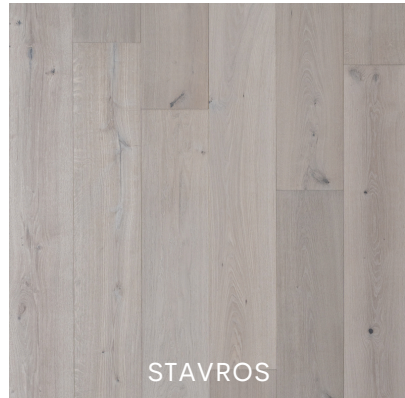

NATURE+

More Character

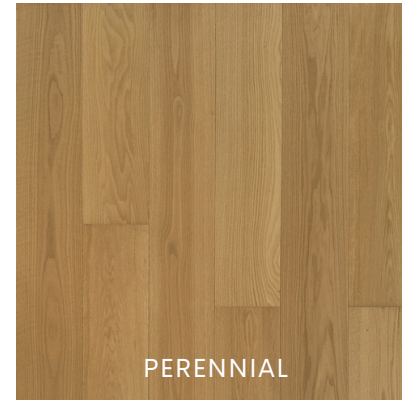

This grade tends to include larger knots and more color variation for a more natural, somewhat rustic looking floor.

NWFA. We take pride in being members of the National Wood Flooring Association, an international non-profit trade association that represents all aspects of the hardwood flooring industry.

A 30 year residential limited warranty is given to the original retail purchaser (end-user) of the product.

Carb phase 2 compliant. Being CARB compliant indicates that we adhere to California's air quality and contaminant standards. This product poses no health risks. California enforces some of the strictest regulations in the United States concerning hazardous substances and air quality in consumer products.

Lacey Act Compliant. The Lacey Act passed in 1900 was the first federal law to protect wildlife. It enforces civil and criminal penalties for the illegal trade of animals and plants.
